We go the distance to serve you.

David Ross is president and owner of Ross & Associates Insurance Services, Inc., along with his wife, Cathy Ross. He began Ross & Associates in 2001 with plans to bring together a core group of individuals with similar vision, expertise and principles.

David has extensive experience in designing insurance programs and risk management options. Starting his insurance career over thirty years ago, he partnered and strategically helped build his prior agency to one of Oregon's top twenty-five largest independent agencies. His knowledge of operating an insurance and contracting business has provided him in-depth understanding of business owners' challenges and the inherent risks they face.

At Ross & Associates, David has aligned partnerships with a broad array of insurance carriers, allowing them to provide their clientele with the broadest of coverage at the most competitive pricing. David is very proud of the professionals he works with on a daily basis who assist him in providing all lines of insurance for his clients ranging from business to personal, liability, property, auto, builders risk, professional liability, workers compensation and bonding. Working together as a team, the entire Ross & Associates staff is able to deliver these programs with world-class service.

David is an active member of several associations, including Associated General Contractors (AGC), Home Builders Association (HBA), and Oregon Restaurant and Lodging Association (ORLA). He has been married to his high school sweetheart for thirty-four years, and has three daughters and five grandchildren. In his free time, he enjoys participating in many outdoor activities with his family and friends, and feels blessed to live in the wonderful state of Oregon.
